Land For Sale.

The Felix Land & Cattle Co.,

Offers to sell to actual settlers about 1500 acres of the FINEST IRRIGATED LAND IN THE PECOS VALLEY. PRICES LOW, TERMS EASY. Going with the land is a perpetual water right from the Northern Canal. It is also in the Artesian Belt. We have refused to put this choice land into the hands of speculators. We give all purchasers the advantage of bed rock prices. The land speaks for itself. Go and see it. Last year we sold 2500 acres to good farmers who are now cultivating it. About 1000 acres of apple orchards are being planted this spring. More land is being brought under cultivation and other improvements made in the Hagerman-Felix district than in all the Upper Valley. On account of its SOLID MERIT this is the most progressive farming spot in New Mexico. Inquire at the office of the company at South Spring Ranch or of the following.
